

# Dispersed Campers

## Practice the Seven Leave No Trace Principles

- Plan ahead and prepare.
- Travel and camp on durable surfaces.
- Dispose of waste properly.\*
- Leave what you find.
- Minimize campfire impacts (be careful with fire).
- Respect wildlife.
- Be considerate of other visitors.

This was not "Leave no trace," from campers south of Flagstaff on State Route 89A. There is no trash service in the Coconino National Forest. Please take your trash with you; DO NOT pile it at the entrance to the forest road.

**Drown your campfire, dead out!**

**DROWN IT**

**STIR IT**

**FEEL IT!**
